vicroads our

lemon scented gum is worth saving

www.change.org/p/vicroads-our-lemon-scented-gum-is-worth-saving

Local community needs help, to protect this tree from VICROADS. There are alternatives to cutting this important 94 year old habitat tree. Vicroads contractors have attempted to cut the tree twice, the second time chainsaws and leaf blowers were used at 2 am, but community action stopped the vandalism. The tree has been assessed by an aborist and is a viable tree. **MEETINGS 7am SAT.@ TREE**
(Lovely Tree lives near cnr Flemington Rd and Church St)
