As addressed

Dear Submitter,

East West Link (Eastern Section) Project Assessment Committee

Please find enclosed Version 2 of the Timetable for the East West Link (Eastern Section) Project Public Hearings. The Hearings will commence on **Monday 3 March 2014**.

This Version 2 of the Timetable includes the time allocated to Professional, Business and Community Organisations and Individual submitters.

As outlined in Direction Number 6 issued on 20 January 2014, it has been necessary to impose strict but consistent timelines for all submitters in order to be fair and reasonable to all parties and to provide the opportunity for as many submitters as possible to speak to submissions at the Hearing. In most cases, each party has received about half of the time requested. The Committee has allowed a maximum of 45 minutes for Community Groups and 10 minutes for individual submitters.

The Committee thanks those parties to made contact with Planning Panels Victoria and advised that they will be making joint submissions at the Hearing. Any party wishing to do the same is encouraged to contact Ms Cutting who will endeavour to make further changes to the timetable to assist parties wishing to make joint submissions.

Some individual submitters have been interposed on Days 10, 16, 17 and 19 due to their unavailability later in the hearing process.

Please note that this may result in further changes to the timetable and all parties are advised to review any further versions of the timetable that are circulated. A final version of the timetable will be issued during the week of 24 February 2014.

All queries about the timetable are to be directed to Jessica Cutting, Senior Project Manager with Planning Panels Victoria on (03) 8392 6383 or jessica.cutting@dtpli.vic.gov.au.

Yours sincerely,

Kathy Mitchell

Assessment Committee Chair
